### CONTROL VALVES AND REGULATORS

**FISHER** Control Valves, Field Instrumentation, Pneumatic & Electric Control Valve Repair, Control Valve Diagnostics, Field Service, FIELDVUE® Digital Valve Controllers

**FISHER** REGULATOR DIVISION Pressure Regulators, Air Regulators, Steam Regulators, Tank Blanketing, Fuel Gas Regulators

**BAUMANN** Low Flow Control Valves, General Purpose Valves, Sanitary Valves

### INSTRUMENT & VALVE SERVICES

Control valve and actuator repair - all brands  
Quarter turn valve and actuator repair - all brands  
Electric actuator repair - all brands  
Pneumatic and electronic instrument repair

### CONTROL VALVES AND REGULATORS

Emerson Process Solutions, Bristol Controlwave, Fisher ROC, DeltaV SIS, DCS Integration, LC Integration, Safety Systems Integration, Advanced Process Controls, Filedbus Solutions, SCADA Design & Implementation, Satellite Communications Networking, Wireless Implementation, Panel Fabrication Shop, OSI - PI, Rockwell Automation Systems Integration

### VALVE AUTOMATION DIVISION

Electric Actuators  
High-Performance Ball Valves  
Actuators and Controls  
High-Performance Butterfly Valves  
Knife Gate Valves  
Limit Switch Boxes  
Go Switches

### ASSET OPTIMIZATION

AMS Suite

- Asset Portal
- Device Manager incorporates diagnostics for valves and instruments
- Machinery Health Monitor for rotating equipment including motors and pumps
- Equipment Performance Monitor for process equipment

Electrical Reliability Services

PlantWeb Services

Loop Audits to reduce process variability
